# THERMOS

Accelerating the development  
of low-carbon heating  
and cooling networks

## **THERMOS Train-the-Trainer**

### **Online Webinar Schedule**

October – November 2018

Co-funded by the Horizon 2020 Framework  
Programme of the European Union

Date	Module
<b>02.10.2018</b> <u>15:00 – 16:00 CET</u>	Kick off Webinar: Module 0: Introduction to THERMOS and Module 1: Thermal energy supply and demand in Europe
<b>09.10.2018</b> <u>15:00 – 16:00 CET</u>	Webinar Module 2: Energy system mapping and modelling with THERMOS
<b>16.10.2018</b> <u>15:00 – 16:30 CET</u>	Webinar Module 3: Embedding THERMOS in your city
<b>30.10.2018</b> <u>15:00 – 16:00 CET</u>	Webinar Module 4: Optimizing thermal planning, resources and technologies
<b>06.11.2018</b> <u>15:00 – 16:00 CET</u>	Webinar Module 5: Heating and cooling market and finance
<b>20.11.2018</b> <u>15:00 – 16:00 CET</u>	Webinar Module 6: Local stakeholders involvement for adopting THERMOS
<b>05.12.2018</b> <u>tbcb</u>	Final Workshop: 4 <sup>th</sup> THERMOS Capacity Building and Train the Trainer Workshop at Alba Iulia
