1 Travel and accommodation guide

1.1 Travel

Travel by airplane to the Lisbon airport (LIS) located only 30km away from Cascais.

To reach Cascais from the airport we recommend:

- Taxi or UBER. Only 30 km away from Cascais, prices usually rate between 50-70 euros (taxi) or around 50 euros (UBER). Total travel time: around 40 minutes.
- Public transportation. The airport has a metro station (red line). To reach Cascais go through the red line and then to the green line. Leave at the final stop "Cais do Sodré".
- Then, catch the train at the same stop to Cascais. There is only one line, so all trains go to Cascais (just make sure it goes to the final stop in Cascais). The meeting location is in the city center. (travel time around 1h15 / 1h30)

1.2 Hotel accommodation

Concerning your accommodation, we are suggesting the following 4 hotels in Cascais providing a good price offer and high quality accommodation within close distance to the historic centre and the activities on the agenda.

- Hotel [Baia](#) (3 stars)
- [Cascais](#) Hotel (3 stars)
- Hotel [Vila Galé Cascais](#) (4 stars)
- Hotel [Eurostars Cascais](#) (4 stars)

1.3 Meeting Location

The meeting will be held at the "[Clube naval de Cascais](#)", near the marina and the Citadel Fort.
